

# NOUPOORT EnD COMMUNITY FUND

## FUNDING GUIDELINE

*(Enterprise Development)*

This community fund was established to invest in enterprise development initiatives (EnD) that promote the vision and local economy of Noupoort. Applications from small and emerging businesses are particularly welcomed.

### 1. Who can apply?

Local businesses in Noupoort, including:

- Small, medium and micro enterprises (SMME's)
- Cooperatives
- Business partnerships for special events (e.g., markets)
- Other companies that meet the specified requirements

### 2. Requirements

- The business must be **based in Noupoort** and support economic development amongst the community.
- It must be in operation for at least **3 months**.
- It must be **managed by directors/shareholders** who keep records.
- It must be **registered or awaiting registration with the CIPC** (Commission on Companies and Intellectual Property) or another relevant institution.
- It must have a **bank account** with a recognized banking institution and records of all financial transactions.

- It must have a **tax clearance certificate** or be willing to apply for one.
- It may have received little or no funding from outside sources and must have an **annual budget of less than R200 000**.
- It should **disclose other sources of funding** (if applicable).
- It must demonstrate mobilisation of **local assets** (physical, financial, social, natural and human resources).
- It must be willing to **collaborate** with other stakeholders.
- It must be willing to participate in **capacity development, monitoring, evaluation, and learning** operations linked to the grant.
- It must be willing to make **reporting and accountability public**.
- It must submit a **BBBEE certificate**.
- It must provide **three quotes** for the funding requested.
- Only companies / directors / members that are **in good standing** with respect to the use of previous funding will be considered.

Permission to deviate from approved budget must be given in writing to the Project Companies and/or Grant Administrator. This request must be submitted **BEFORE** the expected expenses are incurred. **Any expenditure that is not in line with the contracted obligations or approved deviation request, will lead to the black-listing of the respective company/organisation and possible legal action.**

#### **Additional requirements for farmers:**

- Must be registered with the CIPC.
- Farmers' union fees must be paid-up and proof of this must be provided.  
**NOTE:** only subsistence farmers' unions are eligible.
- Provide a letter from the municipality proving registration as a subsistence farmer.
- Provide a letter giving permission to operate on communal or common land.
- Must already own 10 livestock.

- Farmers who meet all the criteria can receive up to R28 000.
- Farmers can apply for this grant only once per year.
- Awards depend on the available ABCD budget at the time of application; no award will exceed R28 000.
- The grant may only be used to purchase livestock, livestock medicines, and feed.
- Only one application per household will be considered in any 12-month period.

*Permission to deviate from approved budget must be given in writing to the Project Companies and/or Grant Administrator. This request must be submitted **BEFORE** the expected expenses are incurred. **Any expenditure that is not in line with the contracted obligations or approved deviation request, will lead to the black-listing of the respective company/organisation and possible legal action.***

### 3. Type of awards

Funding can be in the form of:

- **A community grant:** a funding amount paid in monthly installments/ tranches for appropriate operations.
- **A matching grant:** is double the money raised i.e. the project will contribute R2 for every R1 that the applicant or group raises (2:1 ratio).
- **Direct purchase:** the project company will directly purchase ALL goods/equipment and/or services or provide other material support.
- **Annual Innovation Grant:** a cash award for innovative projects and organizations that harness new ideas and technologies.
- **Technical Grant:** funding for training, mentorship, exposure visits and other capacity-building activities.

**NOTE:**

- Applicants to the EnD Community Fund only qualify for **Tier 1 funding (R1,000 – R50,000)**
- Payments will be made in 6 equal tranche payments.
- All equipment purchases will be made by the project company.
- Applicants may re-apply if they demonstrate impact and meet compliance requirements.
- A maximum of **two awards per year** can be made to one organisation.
- Projects must be completed within **6 months**.
- Final approved funding values are subject to budget availability.

#### 4. Desirable Community Based Organisations that Qualify

Businesses need to leverage local assets and resources, be **community-oriented**, and operate for the benefit of the local economy. They must:

- Be **asset-based** – value, use and expand the assets in Noupoot.
- Be **community driven** – encourage unity and shared responsibility/Co-investment.
- Be **creative, innovative, and beneficial**.
- Be **simple, easy to get started, and achievable in the short term** ("low-hanging fruit").
- Be **potentially profitable** (generate income monthly).

**An award will only be granted if there is clear evidence of social cohesion and community mobilization, and if entrepreneurs have demonstrated their commitment by investing in their own initiatives. Preferred initiatives are those that promote expansion, such as job creation, skills transfer and the strengthening of regional ties, as well as the promotion of partnerships and unity within the Noupoot community.**

**Examples:** Construction, home industries (sewing, pastries, etc.), vegetable farming, arts and crafts, cultural activities, youth initiatives, skills development, markets, festivals, etc.

## 5. Non-permissible categories of spend

Funding will **not** be granted for:

- Businesses that are not community oriented.
- Operations that are political in nature.
- Operations with a negative social, economic, or environmental impact.
- Infrastructure projects or the purchase/lease of land, buildings, or containers - unless accompanied by a proven, sustainable and detailed business plan.
- Emergency measures to cover shortages, repay loans, or provide loan guarantees.
- Bursaries or sponsorships (except where specifically approved).
- Projects that only cover operating costs.
- Overseas study or individual studies.
- Purchase or lease of vehicles, or repairs to vehicles (any licensed transport will not be funded) - unless it forms a part of your organisation's core business.
- Payment of overdue bills (e.g. Eskom, Telkom).
- Religious activities (unless part of a community initiative)
- Directors and/or shareholders should not exceed 65 years of age.

**No funding will be provided for vehicles; repairs to vehicles or the procurement of any means of transport that requires a license – unless it forms part of your organisation's core business.**

**Stipends / Grants for proven new/additional jobs created may be considered in the short term. Its value and duration are at the full discretion of the ED manager.**
