

## NOUPOORT RENEWABLE ENERGY COMMUNITY TRUST REQUESTS INDEPENDENT TRUSTEE NOMINATIONS

Noupoort Renewable Energy Community Trust is a 5% shareholder in Noupoort Wind Farm and is looking to appoint an **Independent Trustee**.

The Noupoort Renewable Energy Community Trust has been set up to carry out public benefit activities that positively impact local communities that reside within a 50km radius of Noupoort Wind Farm.

### REQUIREMENTS

*The candidates should not have any immediate association with an individual or organisation that could directly benefit from the Noupoort Renewable Energy Community Trust, or reside in the Umsobomvu Municipal Area.*

- Black women candidates are especially encouraged.
- A candidate with either a legal or financial qualification and background is preferable.
- Term: A three year term, commencing 1 September 2019.
- No Remuneration. Pre-approved expenses incurred while carrying out Trust duties will be covered.

### Independent Trustee Candidates Should:

- be in good standing in their professional fields;
- have a broad view of the developmental needs of the Noupoort community;
- demonstrate strong and diverse community networks;
- demonstrate leadership;
- voluntarily dedicate a significant amount of time to the governance of the Trust;
- help to ensure the efficient, effective, transparent, and credible operation of the Trust.

The Trust endeavours that the Board of Trustees represents a sound and good combination of financial, legal, strategic, and community development competencies.

### WHO can NOT be NOMINATED? Candidates may not:

- be affiliated /an official of a political party, or an employee of a local municipality;
- have a criminal record, have been liquidated or sequestered in the last 10 years;
- be resident in Umsobomvu Municipal area.
