

NOUPOORT GETS FUNDING FOR POSITIVE CHANGE

Local SMME's, non-profit companies and non-profit organisations have been selected to receive business funding following a series of workshops aimed at helping drive positive change within the community.

Each grantee will receive mandatory financial management training, to help improve positive outcomes from the support, in addition to the funding.

"Our workshops were welcomed in the community and we are pleased to have received very good applications with solid funding proposals,"

Sandisiwe Mntonintshi, Noupoort Wind Farm.

This community programme focuses on initiatives that are wanted and needed in the community, which will ultimately increase the impact and help make a positive difference to the people of NOUPOORT.

SUPER FOOTBALL CLUB

Thanks to Noupoot's Olympiakos Football Club, which started a community soup kitchen. During October, 140 community members received a daily cooked meal. The project was funded by Noupoot Wind Farm and implemented in collaboration with the two local clinics.

"Emlyn and his team are not only dedicated to sport, but also to improving their community," said Mr Bantu, President of SAFA in the Pixley Ka Seme District Municipality.

LEARN TO READ

Two dedicated literacy coaches put a plan in place to continue helping young learners during the school COVID-19 lockdown period.

With the backing of their parents, twenty children received one-on-one coaching from Gcobisa Ncapayi and Zimbini Maqina, who are implementing the 'Learn Ready Literacy' programme.
